The Department desires to provide courteous and timely service to all applicants. In order to maximize efficiency, the Department will process **complete applications only**. Please read the instructions carefully to ensure proper completion of the application. In order to become licensed, you must submit a completed application, which includes all necessary supporting documents and a **non-refundable** application fee. The application fee is \$750 for a resident or nonresident unrestricted license, or \$500 for a restricted license.

Application: Failure to supply necessary information may result in delay of approval or denial of your application. An applicant is ineligible to reapply for a license for 1 year following final department action denying the issuance of or renewal of a license.

Basic Qualifications:

An individual applicant must be at least 18 years of age.

The applicant and each controlling person must be of good moral character, have business integrity, and be financially responsible. A "controlling person" means an individual who possesses the right to direct the management or policies of a professional employer organization or group through ownership of voting securities, by contract or otherwise.

Ability to maintain a positive working capital.

Nonresidents who want to apply for an unrestricted license must also be licensed by the state of domicile if PEO or group licensing is required in that state.

Resident or nonresident unrestricted license applicants must show a tangible accounting net worth of at least \$50,000. If an applicant is unable to meet the \$50,000 net worth requirement, the applicant shall provide to the department a surety bond, a letter of credit, or marketable securities acceptable to the department in an amount of not less than \$50,000 to cover the deficiency.

Restricted licenses for PEOs or groups residing in another state may be issued if:

- the applicant's state of residence licenses PEO's and the applicant is licensed and in good standing, and that state grants a similar privilege for restricted licensing;
- applicant does not maintain an office, sales force, or a sales representative in Montana and does not solicit clients who are residents of or domiciled in Montana; and
- applicant does not have more than 100 leased employees working in Montana.

WORKER'S COMPENSATION REQUIREMENT: All operations of a client, whether or not all or a portion of the client's operations are subject to a professional employer arrangement or employee leasing arrangement, must be insured by the same insurer. The workers' compensation insurer is required to report to the workers' compensation advisory or rating organization, all data by client including payroll by classification and liabilities for each client during the term of the policy.
